

Dear valued partner,

We once again extend our warmest wishes of health, happiness and much success for this new year.

Below please find updates on various subjects:

QUOTATION TOOL

To centralize all our documents, we have removed the guides, forms and application forms from the Blue Flex quotation tool. Only contract samples remain available in the tool. When browsing, you will be redirected to the Advisor resources website from the "[Documents](#)" menu to access these documents. Remember to update your quotation tool as soon as you are prompted.

Due to this change, we suggest that you save any necessary documents to your computer in case you are required to work offline.

You will also notice that the Hospital Allowance benefits will no longer be available for sale.

DOCUMENTS UPDATE ON ADVISOR RESOURCES

All the documents in Advisor resources have been updated to reflect our new alliance with Blue Cross Life¹ and will now only be available in PDF format. Starting March 1, 2022, only new versions (2022-01) of these documents will be accepted.

ELECTRONIC APPLICATION

The electronic application for the Association Program has been updated based on your feedback. We hope these minor changes will make your job easier.
